Criminal No. 3:19cr19

The Honorable M. Hannah Lauck

**ORDER ON DEFENDANT'S MOTION TO SEAL UNDER 18 U.S.C. § 3509(d)**

The Court, having read and considered the Defendant's Motion to Seal under 18 U.S.C. §3509(d), makes the following findings:

1. The public's right of access is outweighed by competing interests contained in the Defendant's memorandum and the statutory directives in 18 U.S.C. § 3509(d);
2. The Court considered less drastic alternatives to sealing the documents and finds none of them to be appropriate;
3. The less drastic alternatives are also rejected because they would not protect the privacy of the individual whose information is detailed in the exhibits identified.

Accordingly, the Defendant's Motion to Seal under 18 U.S.C. § 3509(d) is granted. The Defendant's Exhibits A through K will be sealed, and will not be a part of the public record.
